MIRACLES HAVE NOT CEASED

NEITHER HAVE ANGELS
CEASED TO MINISTER TO MEN

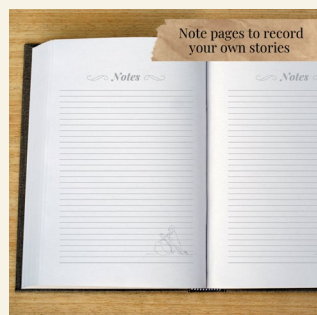

SEEK AND EXPECT MIRACLES: A STUDY GUIDE

Following the counsel of President Russell M Nelson by learning to “seek and expect miracles” is within your reach. *Miracles Have Not Ceased* offers a wealth of research and modern day examples of many types of miracles still happening today. Each chapter includes application questions and note pages to record your own thoughts and miracle stories.

As Leona’s dying wish, she wanted to publish a book that would inspire you, dear reader, to look for and recognize miracles in your own life. Although Leona is now on the other side of the veil, she has continued to inspire this work to its completion. You, the reader and student, were her vision. This book is her gift to the world and her testimony of the mercy, love, and power of God in the lives of His children.
